

**FORKS COMMUNITY DAYS  
SEPTEMBER 14<sup>th</sup> -16th, 2018**

Dear Friends:

The Forks Community Days Committee has begun preparations for this year's Forks Community Days festival which will be held Friday, September 14-16, 2018 at the Forks Township Community Park. Our festival has enjoyed great success, providing enjoyment for children of all ages, adults and senior citizens. In addition to great entertainment, we are pleased to provide local businesses and organizations the opportunity to showcase themselves as an event participant and/or as one of our festival sponsors.

Planning a festival of this scale takes considerable time and financial resources. Since Forks Community Days is its own 501(c)4 non-profit organization, we have the task of raising the funds necessary to sustain such an endeavor. As you can imagine, fireworks, bands/music and other entertainment as well as logistics are costly. We want to be able to continue to provide our community with a truly special event for all ages and cannot continue to do it without your help and support! Attached is a list of sponsorship opportunities and benefits that we hope you will strongly consider. Forks Community Days attracts as many as 5,000 local and area consumers. Festival sponsorship presents a significant opportunity to promote your business to this captivated crowd.

Please help us make this year's festival another memorable event and in turn, use this opportunity to promote your business! If you have any questions, please contact the Forks Community Days Committee, Rachel Sulzbach, 484-239-1189, or email [info@forkscommunitydays.com](mailto:info@forkscommunitydays.com).

Please make your tax deductible sponsorship check payable to "**Forks Community Days**" and send to:
